

MEETING NOTE

FILE REF: 22536/A7

SUBJECT: EAST MIDLANDS FREEPORT – EMIP LIAISON GROUP

5pm on Wednesday 21st April 2021 (Microsoft Teams)

1 AGENDA

- 1.1 Welcome and introduction to new members to second liaison group meeting.
- 1.2 Updates since previous liaison group meeting (8th March 2021):
 - Ongoing activity regarding East Midlands Freeport;
 - Communications with closest neighbours of EMIP.
- 1.3 Questions from liaison group members (including a series of questions circulated in advance by Egginton Parish Council).

2 ACTIONS

- 2.1 Goodman to prepare new project website forming a hub to share information and provide a resource that can be updated with additional details as the project progresses. Aim to be live by the time of the next liaison group meeting.
- 2.2 Goodman aim to engage on preliminary masterplan information in Autumn 2021, with a view to progressing a Development Consent Order in 2022-2023.
- 2.3 Egginton Parish Council to share relevant background information in order to inform future flood risk assessment and drainage analysis. There have been previous discussions with stakeholders.
- 2.4 A copy of the East Midlands Freeport submission to Government was requested, however this process is being led by Local Authorities/Local Enterprise Partnerships and contains commercially confidential information.
- 2.5 Issues were identified for further consideration as the project moves forward. Including flood risk and water catchments; traffic; restrictions on the use of local roads; new green infrastructure; effects on the landscape; funding towards community initiatives; and peer review of technical analysis.
